

Clean, reliable energy for people on life support at home

Beyond regulation – to innovation and
improving people's lives

Our Approach

CONDUCT RESEARCH

To better understand the customers and their specific needs.

IDENTIFY & TRIAL

Co-design a pilot to develop solutions that meet those needs.

SCALE UP

Larger roll out of the trial considering lessons learnt from the pilot.

ECA grant-funded research

CONDUCT RESEARCH

To better understand the customers and their specific needs.

IDENTIFY & TRIAL

Co-design a pilot to develop solutions that meet those needs.

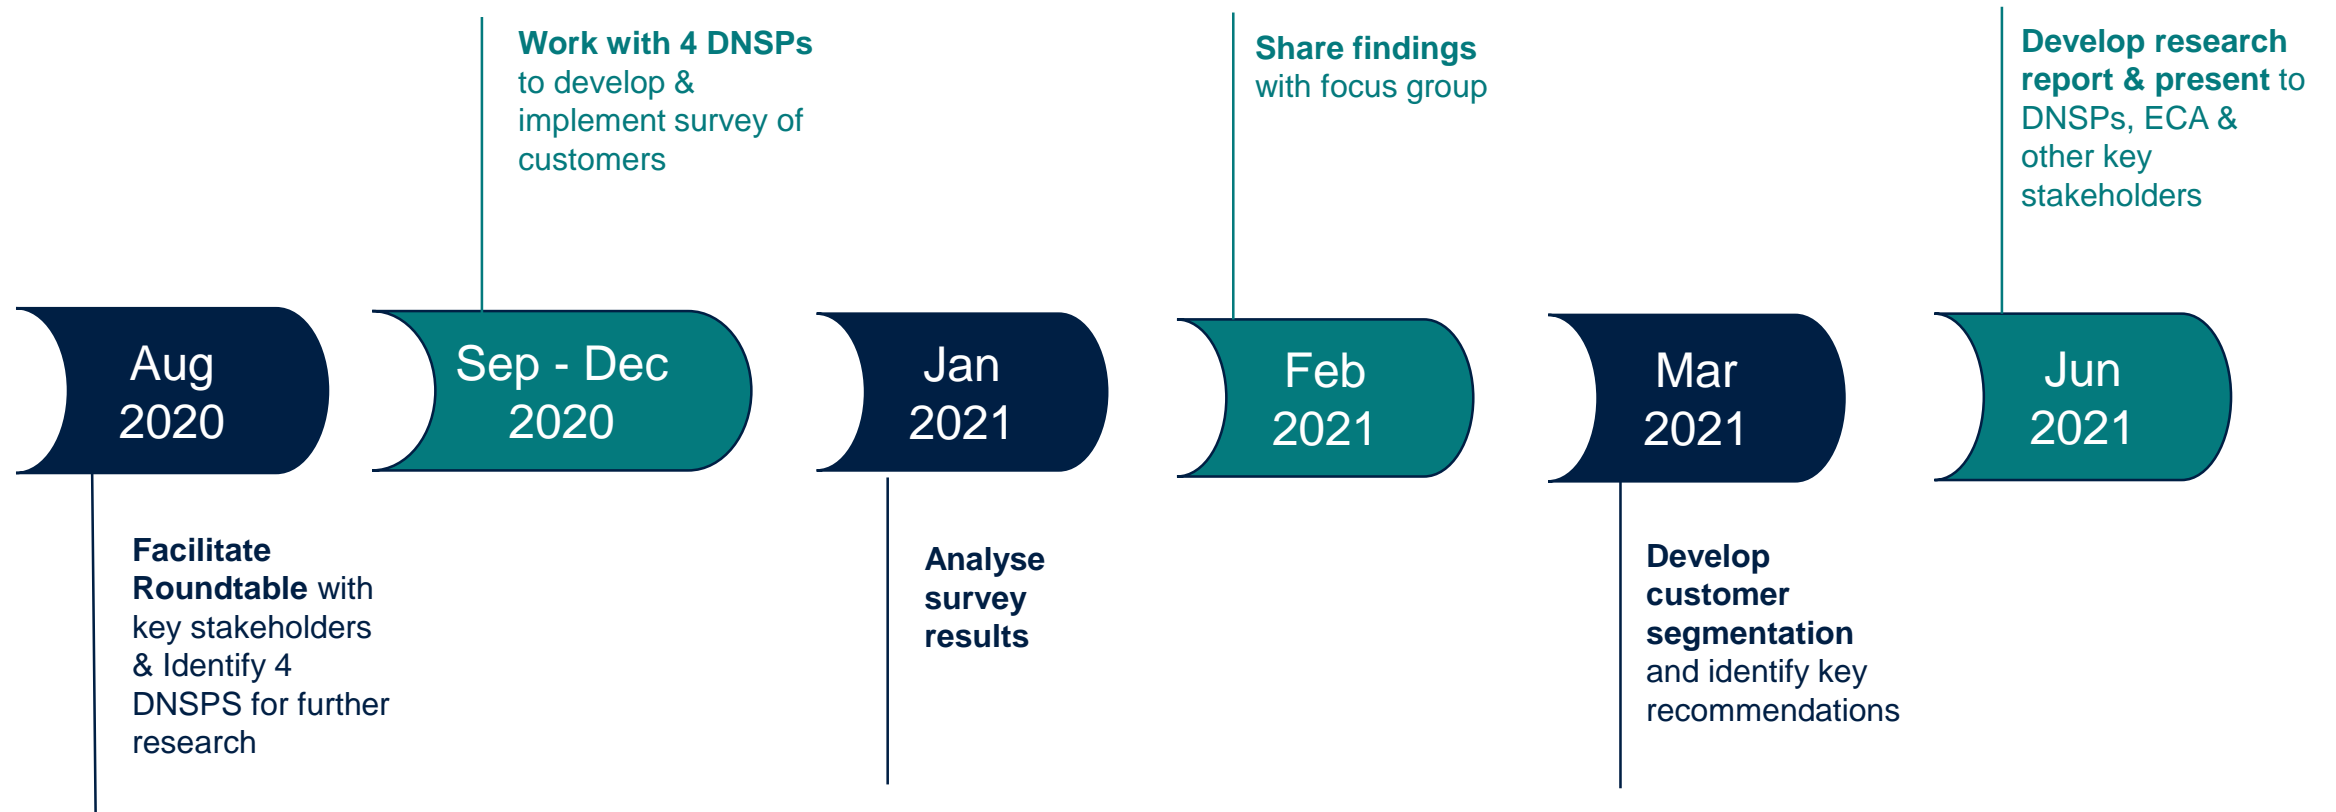

SCALE UP

Larger roll out of the trial considering lessons learnt from the pilot.

Project timeline
